Gluten-Free

We provide good tasting gluten free alternatives upon request. While our restaurant is not a gluten free environment, we take every precaution to insure that your dining experience will be a safe and satisfying one.

Separate knives, cutting boards, utensils (stainless steel) and condiments (butter and mayonnaise) are used. In addition, all cooks are required to put on new gloves when preparing your selection.

Our French Fries do have a gluten based coating; however, our fryers are filtered and washed daily and the oil is changed twice weekly. The decision to order fried foods is entirely up to each individual.

Our toasters are used for products containing glutes. The decision on whether to have bread toasted is entirely up to each individual, however, we will not toast bread products unless asked to. Bread products can be warmed on the grill, which is kept meticulously clean. Our Panini grill is also cleaned thoroughly before gluten free products are prepared on it.

Currently we have a line of white bread, hamburger rolls, thin pizza crusts and panini breads that can be substituted with any menu item for the following additional charges:

2 Slices of Sandwich Bread: .89 Hamburger Rolls: 1.19

Panini Bread: 1.79 Thin Pizza Crust: 2.29
